

OVERPASSING POOL HALL IS FATALLY SHOT

John Lago, 17-Year-Old Victim of
Davenport Tragedy in Davenport
Sunday Morning.

John Lago, a 17-year-old negro, is dying at Mercy hospital, Davenport, perhaps fatally wounded by a bullet fired through the plate glass window of a pool hall at 222 East Second street, about 10 o'clock Sunday morning. Lago was passing the hall with a friend, Tom Roberts, another negro, when the glass was shattered and the negro was struck in the back of the head. The man was removed to Mercy hospital late last evening. Manuel Portillo, a Mexican, was arrested and is being held.

Mystery surrounds the shooting, for although many men were in the pool room at the time, police have been unable to learn in whose hands the gun was when the fatal shot was fired. Portillo, immediately after his arrest denied that he was guilty and even declared that he knew nothing of any shooting affair.

Police have learned, however, from other inmates of the hall at the time that Portillo was present at the time of the shooting.

Further evidence has been gained to show that the shooting was very probably an accident. The gun from which the shell was exploded belonged to the proprietor of the

EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and
Lustre With Sage Tea and
Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears and after another application of two your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and we all desire a youthful and attractive appearance. Get busy a once with Wyeth's Sage and Sulphur Compound, and look years younger.—(Adv.)

This Farmer Can Hardly Wait For His Meal Time's

Liver Has Been Thoroughly Cleaned,
Has No More Troubles,
Dixie Spills and is Always Hungry Since
Taking Drego.

When we stop to think that stomach trouble is at the bottom of so much distress it seems odd sufferers do not obtain a medicine which has been tried and has proved its powers to relieve those troubles. Drego, the herb juice remedy has proved its powers to relieve gas in the stomach, indigestion, nervousness, biliousness, constipation and headache, which is shown in statements from reliable parties. For instance, Mr. Virgil Van Williams, a well known farmer living near Groveland, Ill., 11 miles from Peoria, says:

"It is a pleasure to talk about Drego and what it has done for me, for I had a tired, no-account feeling all the time; was never hungry. My tongue stayed coated and I was always bilious, so when I was in Peoria a few days ago I decided to try a bottle of Drego and since taking it my stomach is in fine shape, am no longer bilious and feel full of energy and ambition. I surely am glad I came across it, for there is nothing worse than to be half sick and miserable all the time."

Drego aids the stomach to digest the food without leaving gas, it rouses a sluggish liver to full action, gives strength to weak kidneys and relieves constipation.

All druggists now sell Drego and it is being especially introduced in Rock Island by Riess' drug store.—(Adv.)
